

Pridonoff Duo

Sample Programs

The following are some possible sample programs that have gone over well with a variety of audiences. We can also do theme evenings such as a French program that we've included and using other combinations below for an evening of Russian music, Spanish music, symphonic music or an evening of Dance music as requested or desired. Almost every work is a crowd pleaser and does not require classical music sophistication.

Program I

Pachelbel Canon
Tchaikovsky Nutcracker Suite
Lutoslawski-Paganini Variations

Intermission

Manuel Infante Andalusian Dances
Gershwin Porgy and Bess

Program II

Mozart Overture to the Magic Flute
