For Elisabeth von Trapp, the sounds of music are part of her earliest memories. Born and raised in Vermont, Elisabeth is the granddaughter of Maria and Baron von Trapp, whose story inspired *The Sound of Music*. Singing professionally since childhood, Elisabeth has enthralled audiences from European cathedrals to the Kennedy Center. Inspired by her father Werner von Trapp's guitar playing and singing, Elisabeth has carried on the legacy of the internationally renowned Trapp Family Singers. Building on her family's passion for music, Elisabeth has created her own artistic style, at once ethereal and earthy, delicate and powerful. Critics have called her voice hauntingly clear, joyfully expressive and simply beautiful.
