I've been booking bands here for eleven years and yours was the first standing ovation!
We want you back next year!

Thanks again for the fantastic time in Kansas City. The concert was beyond words. The KC Symphony added an unbelievable element to the already tremendous talents of a group of highly talented individuals.

As John Denver's former drummer and percussionist, working with Jim Curry has kept alive for me how it was playing with John. Jim has stayed true to John's music and vision. It is a pleasure working with Jim and Anne Curry.
- *Richie Gajate Garcia (played drums and percussion for John Denver) Los Angeles, CA*

It was a real trip down memory lane. Here was Lee Holdridge, John Denver's conductor, orchestrator and arranger of 30 years conducting the orchestra, I was playing guitar, Richie Garcia (who also played for John Denver) was playing drums and percussion, and Jim Curry was over there sounding like John Denver. A couple of times I closed my eyes and went back 15 years. It was strange and cool at the same time.
- *Pete Huttlinger, (played guitar for John Denver) Nashville, TN*

I know beyond doubt that I want to join your show whenever I can. You guys exhibited nothing but big league leadership & Professionalism.
- *Steve Weisberg, John Denver band member and songwriter Dallas, TX*

I attended the show last night in Big Bear Lake and couldn't believe how I knew the words to so many of the songs. It was one of the best programs we have had here and I hope you will come back up next year. The sound and look were perfect and my friends talked all night about how much enjoyment and sentiment your show gave us. I didn't count the songs but it must have been at least 25-30, each with a personal reminder about life when we heard it first. Keep up the great show!

Curry makes you feel as if you are visiting him in his living room and his band shares the same warmth, which rolls out into the crowd..

I recently had the experience of seeing you, your wife, and your band. I have to say that as a long time John Denver fan I was a bit skeptical at first when I read about the show that night. I went to the show and was blown away. You are terrific! I had tears in my eyes through most of the show, even now as I am writing this I am starting to get teary eyed. I loved John so much and know in my heart that he would be so proud and honored to have you performing his songs with so much feeling and emotion...as he did. Thank you again for paying such a loving tribute to such a wonderful man. Best of luck and much happiness to you and your family!

- Lisa Corley, Newport, RI

I was at Jim's concert on the Oosterdam cruise to Mexico. His concert was the highlight of the cruise for me!

- Linda J. Cole, Temecula, CA

I'm so glad to hear your show is sold out! I knew it would be! That's why I made sure we bought tickets right away last month!

- Christianne Suzuki, Montebello, CA

I am so pleased to have briefly met you and your lovely wife Anne after the concert in KC. I also want thank you from the bottom of my heart for helping to keep the music of John Denver alive. I truly, truly enjoyed your concert along with Lee Holdridge and all of the other gifted musicians. It was an emotional trip down memory lane. I now live in Louisville, KY but a friend of mine called to tell me about your concert, I immediately said buy a ticket for me, I will be there one way or another. I hope someday I will be able to catch some more of your concerts. It would just thrill me to death.

- Cathy Indzers, Louisville, KY

We have a group coming with us and they all are looking forward to the concert, too. Dennis, the Discovery Center coordinator, has become a good friend of ours and he is just ecstatic about seeing the concert. He's a John Denver fan of huge proportions and he says the response from the community has been rewarding. It seems that everyone is discovering what we knew all along - the Currys are just wonderful people and you bring a warm, fun, memorable time for all.

- Jack and Jahn Wallace, Big Bear CA

How awesome! How exciting! What a wonderful tribute to JD and his music! I just can't believe you guys will be performing with Lee Holdridge in KC. This will catch on like 'wild fire!' People are 'starving' for John's music and this is their ticket to hear it again!

- Mary Beth Miller, Huntington Beach, CA

My wife and I both completely enjoyed your show, as did everyone we spoke with afterwards about it. I hope that we will see you back at our theatre again in the not too distant future.
