

Something Good
The Songs Of Rodgers & Hammerstein

A One Woman Show Featuring Elisabeth von Trapp

A Musical Experience That Is Simply Great !

A musical overview of Rodgers & Hammerstein music from their award winning Broadway musicals, South Pacific, The King and I, Cinderella, Carousel and The Sound of Music.

The musical arrangements of these classic Rodgers & Hammerstein songs are all be fresh, original and arranged for Voice, Piano and Guitar.

Elisabeth Von Trapp's loving interpretations of these classic songs is a wonder to behold: charming, moving and exquisite. On a cold, snowy Midwest afternoon, hundreds of patrons flocked to this sold-out show - my regret is that we didn't have more seats for our patrons. We hope our Metropolis will become a regular stop for Elisabeth and the magnificent music she brings.
