

**CHI-TOWN
TRANSIT AUTHORITY**

TECH RIDER (Drive Dates)

Please provide the following:

- Sound board technician familiar with mixing trumpet, saxophone, and trombone.
- Standard theatrical lighting.
- A public- address system adequate to service your venue with 10 microphones and stands (2 boom mic stands) with 20 inputs. **We use some wireless microphones which we provide.**
- Monitors as shown on our stage plot.
- Access to electricity for each side of the stage.
- Two helpers at load in and load out (5-hour prior to start of show).

We are self-contained for the most part. Any questions should be addressed to our Technical Director

Tom Jenkins
