

HAWLEY MAGIC

JONATHAN HAWLEY

Jonathan Hawley is originally from Langwith, a small coal mining village in England located near Nottingham. He found his passion for magic at an early age, but also studied dance which led him to represent Great Britain in South Africa at the Free Style World Championships.

Jonny won first place in several different dance categories, and landed numerous appearances on television. He left home at 21 years old to work on a luxury cruise ship as a professional dancer. During his off time and while on board he continued to practice the art of magic and soon became an expert of sleight of hand. It was then that he began to love magic more than dance and started to pursue a career in magic.

TRISHA HAWLEY

Trisha Hawley is from the small town of Shelby, North Carolina. She began dancing at five years old and entered the world of competitive dance at the age of six. While in high school she worked at a local dance school where she realized her love of teaching and choreography.

Trisha also danced and competed as a member of Rhythm Dance Studio based in Charlotte, NC. After receiving a BA degree from Cleveland Community College, she left home at 21 years old to travel the world and work as a professional dancer on a luxury cruise ship.
