

# Sweet Potato Pie stage plot

Back of monitor & wireless rack

We need 7 mic input on stage with at least 1 aux send for monitor and a talk back for me to talk to the girls on stage, 2 microphone stands with booms. The microphones we need is: for vocal a AT2020 Audio Technica or one equal to it or better, for banjo and bass a sm57 Shure or one equal to it or better. One 8 ft table to put instrument cases on. For front of mixer an Allen/Heath or better, speakers JBL or better. The girls will need bottle water for them on stage at room temp.
