Buy War Bonds!

Alkahest Artists and Attractions is pleased to announce that EbzB Productions' **War Bonds: The Songs and Letters of World War II** has recently been filmed by UNC-TV, North Carolina's statewide public television station to air as a companion piece to the upcoming epic WWII documentary series THE WAR by legendary filmmaker Ken Burns. The edited-for-television version will air in early 2008 as part of UNC-TV's North Carolina WWII documentary project and is currently planned for national distribution availability thereafter.

War Bonds: The Songs and Letters of World War II is a sentimental journey through a war that redefined the world. This multi-media, living-history cabaret is interspersed with actual veterans letters and headline news of the period. Twenty-two period songs lift the mood and juxtapose the anguish of war. Award winning artists Serena Ebhardt and David zum Brunnen fill the stage with war-time memories and nostalgic tunes. This family show allows the greatest generation to celebrate, as the next greatest generation contemplates.

Presenters can take advantage of the growing national interest in this production and book the full-length live stage version of *War Bonds: The Songs and Letters of World War II* for their audiences through Alkahest Artists and Attractions.

"In a word, the show was spectacular! War Bonds was the perfect blend of music, headline news, and nostalgic World War II stories. Sitting in front of us was a WWII veteran and his wife. Both were very moved by your performance that clearly brought back to them many WWII memories. Thanks again for such a memorable and enjoyable evening."
