Subject: Bravo! and Thanks so much

As executive director of the Santa Rosa Symphony, I want to extend my great appreciation for a simply superb set of performances with the Santa Rosa Symphony this past weekend in tribute to John Denver. It was the best season finale we've ever had in our past six years of bringing the Pops to Sonoma County. Your performance was so much more than authentic looks and great vocals. You conveyed a deep reverence for the man and a gentle sense of humor that thoroughly engaged our audiences. Furthermore, your addition of visual images which powerfully mirrored the lyrics gave an added dimension to enjoying the music. Thanks so much for creating a magical, musical experience that will have our audiences raving about for quite some time.

I'm sure John Denver is smiling somewhere on high.

Regards,

Alan Silow
