Dear Krystal, Jared, Jaimee, Leif, Sandy and Brook,

I can't tell you what a fantastic experience it was having you here to perform for our Big Canoe community yesterday. And it was extra-special for me to have the opportunity to meet you all personally and be able to spend a little time with you. The show was dynamic from beginning to end, and it was, without a doubt, the highest caliber performance overall we have had here in the 15 years we have lived in Big Canoe. Jaimee's voice is indeed one of a kind and totally awesome!

Jaimee and all the rest of you immediately connected with the audience, and their excitement and enthusiasm increased throughout the show. It wasn't only the musical excellence, but the warmth and sincerity that you all exuded that captured our hearts. The variety of the songs and instrumentals was perfect, and the on-stage bantering among you added some unexpected fun for everyone. I have been receiving e-mails all day from those who attended raving about the show, and asking us to have you back again! The whole community will look forward with anticipation to our next Big Canoe Jaimee Paul Band show!

God bless all of you.
