Regardless of the debate over the validity of the 'tribute band', countless remote and aging arts councils have been given new energy. Their communities are attending concerts in record numbers, and we continue to hear "we never sold out before"... so yes, we are proud to offer these bands and acts comprised of dedicated and talented musicians to audiences throughout the U.S.

Alkahest has entered into new relationships and alliances that allow us to offer Grammy winning artists and hit-makers to our roster. Presenters and entertainment buyers have a treasure chest of consummate artists and productions from which to choose.

Comedy, theatre, music, and magic have girded our business and our lives since 1896! Bravo to the thousands of artists and the countless presenters and colleagues that have given the Alkahest family its life. We owe it all to you!

Our 129th season is dedicated to friends. Our friends have sustained us with their love, advice, support and laughter and even forgiveness. The entertainment industry is like no other when it comes to 'moving on' and finding life in change made and chapters. Whether one transitions from closed chapters to new beginnings or one leaves this earth and watches over us all from a higher plain, we love you and yes, we miss you! You made a difference, and we remember you and honor you. Godspeed in your journey.

The 2024-2025 season continues the tradition.
